## TESTIMONIAL

“During her staging rehearsals, she demonstrated an ability to breathe life and complexity into her character. She sang with conviction, sincerity, and ease. She exceeded expectations, earning positive feedback from agents and journalists in the Berlin Opera scene... It is my professional recommendation that supporting Frances Muir's artistic development will be more than worthwhile: it will be a symbiotic investment rewarding both her and the environment in which she thrives.”  
Mark Sampson  
Artistic Director  
Berlin Opera Academy.
